

Aircraft Insurance Agreement

I, _____ hereby agree to the following terms and conditions for the rental of any aircraft from Savannah Aviation.

Insurance Coverage: Operator requires all renters to obtain non-owner insurance to cover at minimum: Bodily Injury and Property Damage-\$1,000,000/\$100,000, Medical Limit- \$1,000, Aircraft Physical Damage- \$25,000, and a \$5000 deductible.

Renter will not be subject the aircraft to any perils not covered by the aircraft insurance and will not allow the aircraft to be operated by any unauthorized persons.

Solo Training: I understand that during solo flight training, I am responsible for the \$5,000.00 insurance deductible when the aircraft is signed out to me. I also understand that I am responsible for paying the \$5,000.00 deductible during solo training if any damages, etc. occur.

I understand that, if the aircraft is damaged, broken, etc under my care, I am financially responsible for loss revenue while the aircraft is being repaired.

I understand that I am responsible to ensure the aircraft is secured after each flight. The aircraft is considered secured when the following are complete:

1. Master Switch in "OFF" position
2. Control lock installed properly (if available)
3. Sunshade in front window installed (if available)
4. Pitot tube cover installed on pitot tube/mast (if available)
5. Three tie-downs tightly secured (left wing, right wing, tail)
6. Aircraft placed back in hangar (if applicable)
7. Remove all trash from aircraft

Failure to properly secure the aircraft will result in a minimum surcharge of \$25.00.

In lieu of proof of insurance, I authorize Savannah Aviation to use my credit card on file for repairs and lost revenue.

I agree to the above terms from Savannah Aviation.
